

# Stream Investigation, Stabilization, and Design: *A Workshop Emphasizing Innovative Approaches To Stream Stabilization and Restoration*

Brushwood Shelter  
Furnace Run Metro Park  
(Metro Parks, Serving Summit County)  
4955 Townsend Road  
Richfield, Ohio 44286

This workshop will include classroom instruction by professionals in the field, as well as trips to stream sites for practical discussion of stabilization and restoration techniques.

*Engineers note: Up to 20 Professional Development Hours (PDH) available for attendance*

August 28th, 1-5 pm  
Classroom Session  
*Stream Fundamentals*  
*Watershed Management*

August 29th, 8 am-5 pm  
Classroom Session  
*Streambank Protection Techniques*  
*Choosing a Bank Protection Method*

August 30th, 8 am-5 pm  
Field Trips  
*Site Analysis*  
*Development of On-site Conceptual Designs*

Fee for this workshop is \$80.00. Registration deadline is August 23, 2006. Please make checks payable and remit to "Summit SWCD." The fee includes lunch on August 29 and 30, and all workshop materials. For information contact:
